Leckie, a promittee of the law department of the George Washington.

Mrs. Newimyer, a young woman of charming personality, is a native of premay a native of premay year in the home of th

mouncement of McClellan's bellices, the surface, in view of the incentions will strike the average observer as belated.

As for District Attorney Jerome, upon whom it is planned to combine the Democratic opposition to Hearst, and Murphy, truth compels the assertion that he is not as strong now as he was a year ago, for the simple reason that he has not heeded his own clarion calls to civic duty and municipal righteousness. He has been too tiered. He had a splendid opport tunity, but he failed to grasp it.

Is it That Tired Feeling?

Mr. and Mrs. Asron Reonigsberg and below the surface, in twe of the impersation of the safety of the control their real frond does not a strong now. Makington. Miss Maud McKinley and Weiler D. Many as a very strike of the bidding of those who had named the committee, but beyond and will pay the was riled committee and profit. The privilege of changing rates and Murphy, truth compels the assertion that he is not as strong now as he was a year ago, for the simple reason that he has not heeded his own clarion calls to civic duty and municipal righteousness. He has been too busy, or he has been too thusy, or he has been too third. He had a splendid opport tunity, but he failed to grasp it.

Is it That Tired Feeling?

did Wisconsin desert La Follette? looks good to Kansas. Why did Vermont stand by its an- The politicians will please overtient machine, and why is New Hampshire so cheerfully coming up to the scratch to nominate a Boston and Maine ticket? How does Odell manage to hang on to so much power in New York? Why is New Jersey's fight against the domination of graft and the public service privilege holders petering out to a thin and ineffective voice of protest?

As to whether Mr. Burton has staying qualities that will reasonably assure a continuance of his rebellion in Ohio, it may be interesting to know that he once lived in Iowa. The Rev. P. H. Sheridan, Only relatives of both families and cclose friends attended the ceremony and immediately afterward Mr. and Mrs. Hannan left for Washington, where they will reside at fuse a renomination to the most ef-

the reformers, the independents the protestants of all persuasions to retire for awhile to the back ground and let Organization and Regularity resume sway? There is reason to suspect it.

It looked bad for the Republican party only a few weeks ago. The country seemed bent on doing something right radical. Yet when Mr. Bryan presented a program of ample radicalism it met no response. There has not even been accorded to this Government ownership suggestion the compliment of an attempt at frank, fair, academic discussion. Why not?

Because, it is ventured, the public has wearied of this sort of intellectual stunts. It has done about all the serious thinking of which it is capable, especially on a full stomach. The unanimity of annoyed protest against having a big, new, complicated problem projected into tlefield, Bryan, and Hearst will be protest against having a big, new, complicated problem projected into the arena of public discussion is really a confession of brain fag. The country wants to be let alone for awhile.

terests whereby each would construct and maintain a vessel of proportions to destroy menaces to navigation. As usual Uncie Sam is the first to carry out the contract, Congress appropriating \$250,000 for construction of the destroyer.

It will be the most complete vessel of its kind afloat. It is to be equipped with the latest improved apparatus, including an electric light plant furnishing sufficient current for a twenty-inch searchlight, there will also be a wireless outfit and a telephonos. It is estimated that with a 1,700-horsepower a speed of twelve knots per hour can be maintained. The destroyer is to be 204 feet in length over all, 34 feet beam and the mean draft 13 feet 9 inches. The displacement in salt water will be 1,200 tons.

CART BEFORE THE HORSE.

The smoker given last night by the members of the Fourth Immunes, Camp No. 3, Spanish War Veterans, at Costello's Hall, was a delightful affair, and was enjoyed by more than 300 of the members of the organization and their friends.

The guests of honor were Department Commander Carroll de Gueis, of Maryland, and a delegation representing the Spanish War Veterans of New York. A letter was read from local Department Commander J. Walter Mitchell, in which he informed the members of the commander Carroll de Gueis, of Maryland, and a delegation representing the Spanish War Veterans, at Costello's Hall, was a delightful affair, and was enjoyed by more than 300 of the members of the organization and their friends.
